How do you plan for the protection of agricultural lands, that are under pressure by developers?

How do you want to plan for creating more jobs and encouraging establishment of businesses or industry? How do you want to utilize the abandoned quarry?

How do you want to plan cooperative-ly with other communities on zoning, energy, sewer and waste disposal, community services, and recreation?

How do you want to plan for the movement of people as development changes? (roads, bike paths, walkways?)

How do you want to plan for the areas adjacent to the state parks and forests? How will you address wildlife habitats, clean streams and green space?

How do you want to plan for location of new development and houses. How much land do you expect to be developed, and where should it occur in 10, 20, and 30 years? How do you plan?
